**13503 Weller Road, Mountain, WI**

**NOTE; interested parties wishing to attend may receive an exact meeting time, 30 minutes prior, by requesting such by calling 715.850.1473. The reason for this is because the Committee Chair ends his work schedule at various times.**

### **AGENDA**

**Call to Order—Chairman O'Barski**

**Assurance of Compliance to Open Meeting Law—All**

**Committee members in attendance—do we need to include a representative from each of the Towns, who will be committed to the task in front of us and willing to work toward goal achievement? Can committee members present at meetings move forward with process without a quorum? Will committee members keep their Towns updated on progress so we have complete buy-in? We need to work as one group representing 6 Towns and all have to agree on our direction and be responsive to questions, communications, meeting schedules, etc.**

**Times Herald Newspaper Article—do we respond to the comment of “committee no show” at the Tech System Public Hearing? Or, because several weeks have passed, we focus on updating them with our progress or defeats for future articles?**

**Develop Plan to accomplish our Goal**

- **determine how to move forward with the County's support—work with whom; share our roadblocks info; determine County spokesperson; rewrite request for detachment; keep local newspapers informed; County Spokesperson to keep County Chairman and County Board informed. Once we decide answers, we can move forward with a pre-arranged phone call with Kevin Hamman, Administrator.**
- **contact State Representative Mursau and State Senator Mary Feldkowski of the County Boards' efforts on our behalf and ask for their support—Hogan or/and County Board Spokesperson. Jeff and Mary can have their staff call or visit personnel in the Tech School System in Madison to support our request (County & 6 Towns).**
