I am sharing a comment that one of the attendees made following our recent Seven Towns meeting:

During her report, Jayme Sellen, OCEDC Executive Director, stated (and I paraphrase): "The new City of Oconto Mayor recently said: 'I understand the North (i.e. the northern towns) being strong, is important to the strength of the City of Oconto and the County as a whole'." This comment gives credence to the efforts of our Seven Towns' intentions.

Respectfully submitted,

Mary Kendall
